

# PRIVACY POLICY

This privacy policy governs your use of the software application Gloryft and mobile applications that was created by Our team. The Application provides real time trading signals notifications sent by Robots and verified by our experts.

## **What information does the Application obtain and how is it used?**

### User Provided Information

The Application obtains the information you provide when you download and register the Application.

When you register with us and use the Application, you only provide us with your app installation ID to be able to send you push notifications, information you provide us when you contact us for help; and information you enter into our system when using the Application, such as project management information.

We may also use the information you provided us to contact your from time to time to provide you with important information, required notices and marketing promotions.

### **Automatically Collected Information**

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

## **Does the Application collect precise real time location information of the device?**

This Application does not collect precise information about the location of your mobile device.

## **Do third parties see and/or have access to information obtained by the Application?**

Yes. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;

- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- if Binary Signals is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.
- to advertisers and third party advertising networks and analytics companies as described in the section below

### **Automatic Data Collection and Advertising**

We may work with analytics companies to help us understand how the Application is being used, such as the frequency and duration of usage

We work with advertisers and third party advertising networks, who need to know how you interact with advertising provided in the Application which helps us keep the cost of the Application low. Advertisers and advertising networks use some of the information collected by the Application, including, but not limited to, the unique identification ID of your mobile device and your mobile telephone number. To protect the anonymity of this information, we use an encryption technology to help ensure that these third parties can't identify you personally.

These third parties may also obtain anonymous information about other applications you've downloaded to your mobile device, the mobile websites you visit, your non-precise location information (e.g., your zip code), and other non-precise location information in order to help analyze and serve anonymous targeted advertising on the Application and elsewhere. We may also share encrypted versions of information you have provided in order to enable our partners to append other available information about you for analysis or advertising related use.

### **Changes**

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

### **Your Consent**

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information.

### **Contact us**

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us.
